

OBJECTIVE

Artificial Intelligence and Data Science student at SRKR Engineering College (CGPA: 9.07/10.00), currently seeking a Data Analysis(power Bi and Tableau),Data Scientist and Machine Learning internship opportunity. Eager to apply my strong foundation in machine learning, data analysis, and Python programming to real-world projects. Looking forward to gaining hands-on experience, contributing to impactful solutions, and learning from experienced professionals in a collaborative environment.

SKILLS

Technical Skills

- **Programming:** Python
- **Machine Learning:** scikit-learn, NLTK,Basic supervised & unsupervised learning
- **Data Analysis:** Pandas, NumPy
- **Data Visualization:** Matplotlib, Seaborn
- **Model Evaluation:** Accuracy, Precision, Recall, Confusion Matrix
- **Tools:** jupyter Notebook, Google Colab

Soft Skills

- Team Collaboration
 - Communication Skills
-

EDUCATION

SRKR Engineering College, | Bachelor of Technology (B.Tech) in AI&DS

Bhimavaram

- **Cumulative GPA:** 9.07 / 10.00
- **Expected Year of Completion:** 2027

Narayana Junior College, | Intermediate (MPC)

Rajamahendravaram

- **Score:** 936 / 1000
 - **Year of Completion:** 2023
-

EXPERIENCE

Machine Learning Project – Spam Message Classification (personal project)

- Built a spam detection model using **Logistic Regression** algorithm.
- Processed and vectorized text data using **TF-IDF**.
- Achieved over **90% accuracy**; evaluated using a **confusion matrix** and cross-validation

Altair Data Science Course (Cohort 10)-Eduskills Portal | Completed: [2024]

- Completed a comprehensive course on **Data Science** covering topics like data preprocessing, machine learning algorithms, and data visualization using **Altair** and **Python**.
-

INTERESTS

- Problem Solving
- Data Analysis & Visualization
- Reading Books and Playing Games(mostly preferred online)
